To find EEMUA offices at 10-12 Lovat Lane, London EC3R 8DN

The easiest way to find the new EEMUA offices is by using public transport. If you drive into London you will need to pay the Congestion Charge in advance.

The nearest underground station to Lovat Lane is Monument on the Circle or District lines (NOT Bank – see below). For help to plan a tube journey, see <http://www.tfl.gov.uk/tube/>.

From Monument Underground Station

After you pass through the ticket barrier, look for the Exit marked 'Fish Street Hill, The Monument'. As you exit the station, you should see The Monument just to your right.

Turn left and walk the few metres up the hill to Eastcheap. Once on Eastcheap, turn right and walk about 100 metres until you see an HSBC bank on the right. The bank is on the corner with Lovat Lane. EEMUA offices are about 50 metres down the Lane on the right-hand side.

Please use the main entrance between the '11' and '12' signs, and ring the bell marked EEMUA.

Alternative routes

From Bank Underground Station

In the event that you find yourself at Bank Station, you will need to find the pedestrian tunnel that takes you to Monument – 5 to 10 minute walk. Once you get to the other end, you need to follow the signs for Way Out, and go to the exit marked 'Fish Street Hill, The Monument'. You can then follow the instructions above.

From London Bridge Main Line Station and Underground Station

Leave the station, and walk north over London Bridge on the right-hand (east) pavement, until you see the Monument 50 metres on your right. Walk to the Monument, turn left up Fish Street Hill, and follow the directions above. Allow 15 minutes total walk time.
